**Logo Sketches:**

Generally good reaction on Logos ☺

**Backpacks in the Classroom:**

- Overwhelming for 6<sup>th</sup> graders to not have access to backpacks.
- Safety Issue for teachers & students
- Provide warning to parents at the end of the year if we choose not to use backpacks
- Is it promoting not to bring homework home?
- Cinch sacks provided by school w/team names? Team colors?

\*\* No Backpacks for all students as long as parents are notified prior to the end of the year so they can mentally prepare for the next school year. \*\*

**Input on Parent Teacher Conferences**

- Student led conferences w/ scheduled times (similar to elementary school). 40 minutes w/student and teacher and 20 minutes friendly-visit (all teachers).
- Core subjects would divide students equally, each person would collect the info, and one teacher would set the conference time.
- Traditional parent teacher conferences
- Hybrid
- Skyward cancels out point of traditional parent teacher conferences, however, having a parent and a teacher without anyone else can become an issue.
- Desks in the hall to keep things safe

-Timers!!!

-A few work samples (mini portfolio) at traditional conferences in Spring, perhaps?

**\*\*Gym in the Fall, Classroom in the Spring\*\***

*Vote: 6 (gym) / 4 (classrooms) →Both Spring & Fall*

*Vote: 5/4 for Hybrid Conferences*

**Review Finalized SNAP Plan (Safe Walking Route):**

- Can parents monitor traffic?
- Crossing Guard on Candlelight Lane
- Flashing Lights
- Pull Forward Signs

This is the last meeting of the Union School Community Council this year. If there is new pressing business, we will reconvene. Otherwise, we will meet again in September, 2017.
